

BSI Standards Publication

Identification card systems – User Interface

Part 3: Key pads

National foreword

This British Standard is the UK implementation of EN 1332-3:2020. It supersedes BS EN 1332-3:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/17, Cards and security devices for personal identification.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
