

Domestic furniture — Beds and mattresses — Methods of measurement and recommended tolerances

The European Standard EN 1334 : 1996 has the status of a
British Standard

ICS 97.140

Confirmed May 2010

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee FW/5, Beds and mattresses, upon which the following bodies were represented:

- Association of British Health-Care Industries
- British Iron and Steel Producers
- British Steel Industry (Wire Section)
- Consumer Policy Committee of BSI
- Department of Health
- Furniture Industry Research Association
- Institute of Trading Standards Administration
- National Bed Federation Limited
- National Fillings Trades Association
- National Health Services (Procurement Group)
- Tissue Viability Society

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Board, was published under the authority of the Standards Board and comes into effect on 15 November 1996
