National foreword

This British Standard is the official English language version of EN 1335-1:2000. It partially supersedes BS 5940-1:1980 which has already been withdrawn.

This Standard includes a National Informative Annex which gives guidance for users to assist in identifying the type of chair which will comply with the European Display Screen Equipment Directive.

The UK participation in its preparation was entrusted to Technical Committee FW/3, Office furniture, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
