

Packaging — Requirements for packaging recoverable through composting and biodegradation — Test scheme and evaluation criteria for the final acceptance of packaging

The European Standard EN 13432:2000 has the status of a British Standard

ICS 13.030.50; 55.040; 13.030.99; 55.020

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 13432:2000, incorporating corrigendum June 2005.

The UK participation in its preparation was entrusted to Technical Committee PKW/4, Packaging and the environment.

A list of organizations represented on PKW/4 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 December 2000
