Paints and varnishes — Powder organic coatings for hot dip galvanised or sherardised steel products for construction purposes

National foreword

This British Standard is the UK implementation of EN 13438:2013. It supersedes BS EN 13438:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/27, Paint systems for metallic substrates.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
