Fire classification of construction products and building elements

Part 4: Classification using data from fire
resistance tests on components of smoke
control systems

National foreword

This British Standard is the UK implementation of EN 13501-4:2016. It supersedes BS EN 13501-4:2007+A1:2009 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee FSH/22/-/9, Fire resistance tests for ducts, including smoke extract ducts.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
