

# Cleaning services — Basic requirements and recommendations for quality measuring systems

The European Standard EN 13549:2001 has the status of a  
British Standard

ICS 03.080.30

# National foreword

This British Standard is the official English language version of EN 13549:2001.

The UK participation in its preparation was entrusted to Technical Committee SVS/5, Cleaning services, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

### Additional information

A handbook, HB 10192, *Guide to BS EN 13549, Cleaning services — Basic requirements and recommendations for quality measuring systems*, will be available to complement BS EN 13549.

### Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index”, or by using the “Find” facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

**Compliance with a British Standard does not of itself confer immunity from legal obligations.**

This British Standard, having been prepared under the direction of the Management Systems Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 July 2001
