Bitumen and bituminous binders — Determination of the tensile properties of bituminous binders by the tensile test method

National foreword

This British Standard is the UK implementation of EN 13587:2016. It supersedes BS EN 13703:2003 (dual numbered as BS 2000-515:2003) and BS EN 13587:2010 (dual numbered as BS 2000-519:2010) which are withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PTI/13, Petroleum Testing and Terminology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
