

BSI Standards Publication

Copper and copper alloys — Semiconductor devices, electronic and vacuum products made from high conductivity copper

National foreword

This British Standard is the UK implementation of EN 13604:2013. It supersedes BS EN 13604:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NFE/34, Copper and copper alloys.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
