Bitumen and bituminous binders - Framework for specifying cationic bituminous emulsions

National foreword

This British Standard is the UK implementation of EN 13808:2013. It supersedes BS EN 13808:2005, which is withdrawn. Together with BS EN 15322:2013, it also supersedes BS EN 14733:2005+A1:2010, which is withdrawn.

National Annex NA at the end of this document provides additional guidance for the use of BS EN 13808:2013 in the UK. National Annex NB contains an example specification framework in accordance with BS EN 13808:2013.

The UK participation in its preparation was entrusted to Technical Committee B/510/19, Bitumen and related products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
