Footwear protecting against chemicals

Part 1: Terminology and test methods

National foreword

This British Standard is the UK implementation of EN 13832-1:2018. It supersedes BS EN 13832-1:2006, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/1, Safety, protective and occupational footwear.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
