

BS EN 13900-6:2012

BSI Standards Publication

Pigments and extenders — Methods of dispersion and assessment of dispersability in plastics

Part 6: Determination by film test

National foreword

This British Standard is the UK implementation of EN 13900-6:2012.

The UK participation in its preparation was entrusted to Technical Committee STI/1, Pigments.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
