Cylindrical helical springs made from round wire and bar — Calculation and design

Part 3: Torsion springs

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 13906-3:2014. It supersedes BS EN 13906-3:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee FME/9/3, Springs.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
