Protective clothing for firefighters - Requirements and test methods for fire hoods for firefighters

National foreword

This British Standard is the UK implementation of EN 13911:2017. It supersedes BS EN 13911:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/3/2, Heat and Flame Personal Protective Equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
