

BS EN 13914-2:2016

Incorporating corrigendum March 2017

BSI Standards Publication

Design, preparation and application of external rendering and internal plastering

Part 2: Internal plastering

National foreword

This British Standard is the UK implementation of EN 13914-2:2016. It supersedes BS EN 13914-2:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/519, Masonry and associated testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

National Annex NA provides additional information and guidance from the UK committee.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
