

Harmonized system of quality assessment for electronic components — Sectional specification: Fixed low power surface mount (SMD) resistors

The European Standard EN 140400:2003 has the status of a
British Standard

ICS 31.040.10

National foreword

This British Standard is the official English language version of EN 140400:2003. It supersedes BS EN 140400:1997 which will be withdrawn on 2006-09-01.

The UK participation in its preparation was entrusted by Technical Committee EPL/40, Capacitors and resistors for electronic equipment, to Subcommittee EPL/40/2, Resistors, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
