

BSI Standards Publication

**High rise aerial appliances
for fire and rescue service
use — Turntable ladders
with combined movements
— Safety and performance
requirements and test methods**

National foreword

This British Standard is the UK implementation of EN 14043:2014. It supersedes BS EN 14043:2005+A1:2009 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee FSH/17, Fire brigade equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
