Cold applied joint sealants — Test methods

Part 1: Determination of rate of cure

National foreword

This British Standard is the UK implementation of EN 14187-1:2017. It supersedes BS EN 14187-1:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/510/3, Materials for concrete roads.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
