

Flexible sheets for waterproofing — Waterproofing of concrete bridge decks and other concrete surfaces trafficable by vehicles — Determination of crack bridging ability

ICS 91.100.50

National foreword

This British Standard is the UK implementation of EN 14224:2010. It supersedes BS EN 14224:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/546/9, Bridge deck water proofing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2010
