Plywood — Calculation method for some mechanical properties

National foreword

This British Standard is the UK implementation of EN 14272:2011. It supersedes DDENV14272:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/541, Wood based panels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
