...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 14274:2013 (dual numbered as BS 2000-508:2013), incorporating corrigendum August 2013. It supersedes BS EN 14274:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PTI/13, Petroleum Testing and Terminology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
