

BSI Standards Publication

Thermal insulation products for building equipment and industrial installations — Factory made calcium silicate (CS) products — Specification

National foreword

This British Standard is the UK implementation of EN 14306:2015. It supersedes BS EN 14306:2009+A1:2013 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/540, Energy performance of materials components and buildings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
