**Thermal insulating products
for building equipment
and industrial installations
— In-situ formed dispensed
rigid polyurethane (PUR)
and polyisocyanurate
foam (PIR) products**

Part 1: Specification for the rigid foam
dispensed system before installation

National foreword

This British Standard is the UK implementation of EN 14319-1:2013.

The UK participation in its preparation was entrusted to Technical Committee PRI/72, Rigid cellular materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
