Child-resistant non-reclosable packaging for pharmaceutical products — Requirements and testing

National foreword

This British Standard is the UK implementation of EN 14375:2016. It supersedes BS EN 14375:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PKW/0/3, Child Resistant Packaging.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
