

Fire test — Large-scale room reference test for surface products

The European Standard EN 14390:2007 has the status of a
British Standard

ICS 13.220.50

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 14390:2007.

The UK participation in its preparation was entrusted to Technical Committee FSH/21, Reaction to fire tests.

A list of organizations represented on FSH/21 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 February 2007
