

BSI Standards Publication

District heating pipes – Bonded single and twin pipe systems for buried hot water networks – Surveillance systems

National foreword

This British Standard is the UK implementation of [EN 14419:2019](#). It supersedes [BS EN 14419:2009](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/9, Insulated underground pipelines.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
