

BSI Standards Publication

Advanced technical ceramics — Test methods for determination of fracture toughness of monolithic ceramics

Part 3: Chevron notched beam (CNB)
method

National foreword

This British Standard is the UK implementation of EN 14425-3:2010. It supersedes DD CEN/TS 14425-3:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RPI/13, Advanced technical ceramics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
