## **Water quality — Guidance standard for assessing the hydromorphological features of rivers**

---

## National foreword

This British Standard is the UK implementation of EN 14614:2020. It supersedes BS EN 14614:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EH/3, Water quality.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
