

BSI Standards Publication

Railway applications - Track - Special purpose rail – Grooved rails and associated construction profiles

National foreword

This British Standard is the UK implementation of EN 14811:2019. It supersedes BS EN 14811:2006+A1:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RAE/2, Railway Applications - Track.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
