

Transport service — City logistics — Guideline for the definition of limited access to city centres

ICS 03.100.10; 03.220.20

National foreword

This British Standard is the UK implementation of EN 14892:2005.

The UK participation in its preparation was entrusted to Technical Committee TW/2, Transport logistics and services.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 August 2008
