

Characterization of waste — Sampling of waste materials — Framework for the preparation and application of a Sampling Plan

The European Standard EN 14899:2005 has the status of a
British Standard

ICS 13.030.01

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 14899:2005.

The UK participation in its preparation was entrusted by Technical Committee B/508, Waste management, to Subcommittee B/508/3, Characterization of waste.

A list of organizations represented on B/508/3 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2006
