

Railway applications — Track — Qualification system for railway trackwork contractors

The European Standard EN 14969:2006 has the status of a British Standard

ICS 03.120.10; 93.100

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 14969:2006.

The UK participation in its preparation was entrusted to Technical Committee RAE/2, Railway track components.

A list of organizations represented on RAE/2 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 September 2006
