

BS EN 14984:2016

Incorporating corrigendum March 2017

BSI Standards Publication

Liming materials — Determination of product effect on soil pH — Soil incubation method

National foreword

This British Standard is the UK implementation of EN 14984:2016. It supersedes BS EN 14984:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CII/37, Fertilisers and related chemicals.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
