

Refuse collection vehicles and their associated lifting devices — General requirements and safety requirements —

Part 4: Noise test code for refuse collection vehicles

The European Standard EN 1501-4:2007 has the status of a British Standard

ICS 17.140.30; 43.160

National foreword

This British Standard is the UK implementation of EN 1501-4:2007.

The UK participation in its preparation was entrusted by Technical Committee B/508, Waste Management, to Subcommittee B/508/1, Waste containers and associated lifting devices on refuse collection vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2007
