Mountaineering equipment — Braking devices

Part 1: Braking devices with manually assisted locking, safety requirements and test methods

National foreword

This British Standard is the UK implementation of EN 15151-1:2012.

The UK participation in its preparation was entrusted to Technical Committee SW/136/5, Sports, Playground and other Recreational Equipment - Mountaineering Equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
