

BSI Standards Publication

Railway applications — External visible and audible warning devices

Part 3: Visible warning devices for urban rail

National foreword

This British Standard is the UK implementation of EN 15153-3:2020.

The UK participation in its preparation was entrusted to Technical Committee RAE/4/-/7, Railway Applications - Lighting.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
