

Elements for the identification of products in emergency enquiries

The European Standard EN 15178:2007 has the status of a
British Standard

ICS 01.080.10; 13.200

National foreword

This British Standard is the UK implementation of EN 15178:2007.

The UK participation in its preparation was entrusted to Technical Committee PKW/0, Packaging.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 September 2007
