

Structural adhesives — Test methods for assessing long term durability of bonded metallic structures

The European Standard EN 15190:2007 has the status of a
British Standard

ICS 83.180

National foreword

This British Standard is the UK implementation of EN 15190:2007.

The UK participation in its preparation was entrusted to Technical Committee PRI/52, Adhesives.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 August 2007
