Intelligent transport systems — After-theft systems for the recovery of stolen vehicles

Part 1: Reference architecture and
terminology

National foreword

This British Standard is the UK implementation of EN 15213-1:2013. It supersedes DD CEN/TS 15213-1:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/278, Intelligent transport systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
