

Inland navigation vessels — Studless anchor chain — Anchor equipment

The European Standard EN 15271:2007 has the status of a
British Standard

ICS 47.020.50; 47.060

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 15271:2007.

The UK participation in its preparation was entrusted by Technical Committee SME/32, Ships and marine technology — Steering committee, to Subcommittee SME/32/7, Ships and marine technology — Inland navigation vessels.

A list of organizations represented on SME/32/7 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2007
