Railway applications - Braking - Brake block holder and brake block key

National foreword

This British Standard is the UK implementation of EN 15329:2019. It supersedes BS EN 15329:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RAE/4/-/1, Railway applications - Braking.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
