Heating boilers — Energy assessment of hot water storage tanks

National foreword

This British Standard is the UK implementation of EN 15332:2019. It supersedes BS EN 15332:2007, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/10, Heating boilers.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
