Solid recovered fuels — Determination of particle size distribution

Part 2: Maximum projected length method
(manual) for large dimension particles

National foreword

This British Standard is the UK implementation of EN 15415-2:2012.

The UK participation in its preparation was entrusted to Technical Committee PTI/17, Solid biofuels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
