Candles – Specification for sooting behaviour

National foreword

This British Standard is the UK implementation of EN 15426:2018. It supersedes BS EN 15426:2007, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee I/-/1, Safety of Candles and Related Products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
