

Water quality — Guidance standard for the surveying of macrophytes in lakes

The European Standard EN 15460:2007 has the status of a
British Standard

ICS 13.060.70

National foreword

This British Standard is the UK implementation of EN 15460:2007.

The UK participation in its preparation was entrusted by Technical Committee EH/3, Water quality, to Subcommittee EH/3/5, Biological methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2007
