

Petroleum products — Test method for free water in liquefied petroleum gas by visual inspection

The European Standard EN 15469:2007 has the status of a
British Standard

ICS 75.160.30

National foreword

This British Standard is the UK implementation of EN 15469:2007.

The UK participation in its preparation was entrusted to Technical Committee PTI/15, Natural gas and gas analysis.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 December 2007
