

BS EN 15518-3:2011

BSI Standards Publication

Winter maintenance equipment — Road weather information systems

Part 3: Requirements on measured values of
stationary equipments

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 15518-3:2011.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
