Public transport — Service interface for real-time information relating to public transport operations

Part 3: Functional service interfaces

National foreword

This British Standard is the UK implementation of EN 15531-3:2015. It supersedes DD CEN/TS 15531-3:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/278, Intelligent transport systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
