Machines and plants for mining and tooling of natural stone — Safety — Requirements for surface-finishing machines

National foreword

This British Standard is the UK implementation of EN 15571:2020. It supersedes BS EN 15571:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/3, Safeguarding of machinery.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
