

Winter maintenance equipment — Snow ploughs

Part 1: Product description and requirements

ICS 43.160

National foreword

This British Standard is the UK implementation of EN 15583-1:2009.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2009.
